#### Description

It would be helpful to visualize which links have already been visited.

Add an option for font color and/or style for visited links.

Keep a list of clicked URLs, so that links that are posted more than once can be marked as visited globally. This list could be purged per session.

#### History

##### #1 - 06/25/2017 01:50 PM - Per Amundsen

- Category set to Interface
- Status changed from New to Assigned
- Assignee set to Per Amundsen

I will see if this is technically feasible.
