Target version:	3.2	Regression:	No
Operative System:	All		
Description			
Hello,			
There is a bug on Fonts category in Options in Nicklist, when i tried to change the font from nicklist and selecting 'Bold' and 'Underline' and 'Italics' then the font changed but the Bold/Italics/Underline didn't set up.			
Example Image:			
S90Qm9b.png			
- Thanks!			

History

- Status changed from New to Invalid

If you look closer, you will see underneath "Nicklist font weight" and a dropdown to select font weight for each type of nick including different font weight for prefix.
