<b>Description</b>			
Hello,			
I wanna suggest an idea that will override on channel messages to display the user color/bold/underline/etc prefix, so if i set under 'Colors' any color on 'Prefix op/voice/halfop/admin/owner' to be displayed too on messages instead, i will provide some example images.			
Example Images:			
Colors: yO6lYOy.png			
Now is: aB3wdLP.png			
Suggestion: d2CF1Xs.png			
Also an extra option under 'Messages' to enable/disable that feature will be more perfectly..
