Description			
Hi			
			
in the two parts "notices" and "server notices" can you add a "hide" button? As on mIRC I do not receive notices on mIRC.			
Of course, they should not be hidden in the remotes "on: notice:" and "on: snotice:"			

History

Where in mirc is this option? Why do you want to hide notices? they usually have useful information.

#2 - 10/04/2020 07:06 PM - Per Amundsen

- Category set to Interface
- Status changed from New to Rejected
- Assignee set to Per Amundsen
