

IRC Channels

The official #adiirc channel is now on [Libera.Chat](#).

But AdiIRC does have some notable unofficial channels or other related channels on other networks

h3. Official/Officially Owned Channels

- [Libera.Chat](#) - [#adiirc](#)

Unofficial Channels

- [ElectroCode](#) - [#AdiIRC](#)
- [NordicIRC](#) - [#AdiIRC](#)
- [DALnet](#) - [#AdiIRC](#)
- [Atrum](#) - [#AdiIRC](#)
- [Rizon](#) - [#AdiIRC](#)

Don't ask to ask.

When you join any of these channels, **Do Not** just join and say 'anyone here', 'i have a question', or similar things, just tell the channel what you're having a problem with and if someone knows how to help and has time, they will help you.

Client Bugs / Issues

If its a Bug or other kind of issue with AdiIRC, submit an issue here. Include as much information as possible, preferably with steps to reproduce from a fresh adiirc installation.
