

AdiIRC - Slap - # 11

Added in 1.5

/slap <nick nick2 nick3..> [N]

Shows an slap emote on a nick.

Default slap is "Nick slaps <nick> with the power of greyskull"

You can create your own slaps and use random slaps in Tools -> Edit Slaps or manually update slaps.txt in the config folder.

[\\$1](#) can be used to reference the nick(s) to slap.

Parameters

<nick> - The nick to slap into oblivion!

[N] - Use specific line number in the slaps.txt file as the slap.

Example

```
; Use default or random slap.  
/slap Nick
```

```
; Use default or random slap on multiple nicks.  
/slap Nick Nick2 Nick3 Nick4
```

```
; Use slap in line number 11 of slaps.txt as the slap.  
/slap Nick 11
```
